The result of Saturday's meeting in the several districts of this county, so far as we have received, stands as follows:

First District (Easton) William Hayward, Jacob Gibson, and Thomas Perrin Smith.

Third District (Trappe) Samuel Stevens, Junr. John Higgins, and John Willis.

Fourth District (Chapel) William Dunn, James Nabb, and Able Grace.

Were duly authorized to attend in behalf of their several districts, a meeting to be held at Mr. Lowe's tavern this afternoon, at three o'clock, in order to select four suitable characters to recommend to the republican voters of Talbot county, to represent them in the next general assembly.
